To Whom It May Concern

Dear Sir / Madam

RE: **VERIFICATION OF STUDENT'S STATUS AND INDUSTRIAL TRAINING PROGRAMME**

We refer to the above matter.

Lee Jun Jie (I/C Number: 021027140525, Student ID; BMC2104071), is a student at YPC International College currently undertaking the **BSc (Hons) Multimedia Computing 3+0 in Collaboration with Liverpool John Moores University, UK** programme.

The Industrial Training is part of the requirement for this programme. The main objective of this programme is to expose our students to real practical working experience and environment. As such, this student is looking for the possibility of being attached to your organization. The duration of the programme is approximately 16 weeks, between **June to September 2024**.

We would also appreciate it if you could accept the above-mentioned student as a trainee at your organization. You may arrange an interview to assess the above student.

We would appreciate it if you could appoint a supervisor within your organization to supervise the student's overall performance. The supervisor's evaluation will form part of the student's assessment for this programme.

Should you require further clarification, do not hesitate to contact the following person:
